

# PASTOR'S UPDATE TO PARISHIONERS – L (4/10/20)

## WHAT'S IN THIS UPDATE:

- PASTORAL MESSAGE TO PARISHIONERS FROM FR. FERGUSON

## PASTORAL MESSAGE TO PARISHIONERS FROM FR. FERGUSON

Greetings!

Very brief message today:

My **sincere apologies** for the technological problems with last night's Holy Thursday livestreaming. The hotspot we were using failed to work properly. Apparently we were unable to even record the Mass for later viewing. I contacted Cricket Wireless this morning and they claim that there was a temporary local tower issue last night. They assure us that we will be able to use our hotspot without problems on Easter Sunday. Let's hope we can.

Therefore, please know that **it is our every intention still to celebrate, as we've been planning, a Cluster Livestream 9:00 Easter Morning Mass** (see below for the link).

**IF, however,** we end up having problems again with Cricket's hotspot, and you are not able to "see" anything on your screens at 9:00 or a bit after (give us a few minutes if needed), then please know that our Cathedral will have a livestreamed Easter Mass later that morning at 10:30. Go to the diocesan website ([www.columbuscatholic.org](http://www.columbuscatholic.org)) for the tech options they provide, including YouTube.

I'm sorry about any inconvenience, but this seems to be the current state of technology.

A **Worship Aid** for Easter Mass was sent out in the last update. Attached is a **bulletin** from Dee Printing for Easter Sunday. [April 12](#)

Blessed Triduum,

- Fr. Bill Ferguson, Pastor
